Re: Papal Visit August 2018

To whom it may concern,

Following the recent visit of His Holiness Pope Francis I would like to take this opportunity on my own behalf and on behalf of the National Ambulance Service, to express my sincere thanks to you and all your staff for the exceptional support and assistance given to the National Ambulance Service.

It is hearting that organisations display such team work when required for the betterment of people in need without hesitation, and that care and compassion is at the forefront of all.

Thank you again and I trust that our thanks can be communicated to all.

Yours Sincerely

Martin Dunne,
Director National Ambulance Service
