

18th December, 2020

Dear Community Response Member,

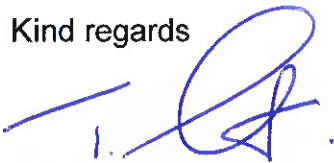

This has been an exceptional year and for most of us, one without parallel. As a nation, county, community and individuals we have been tasked to find new ways to work, run our businesses, deliver our services and quite simply, live our lives. We have successfully met that challenge and will continue to do so. That success has been underpinned by the work of local voluntary services, charities, sporting and community groups, highlighted across Wexford by the Community Response Forum members.

I want to take this opportunity to sincerely thank each and every one of you on behalf of the many isolated and vulnerable people throughout County Wexford who have benefited from your help; the lonely who received a reassuring telephone call; the isolated who had groceries delivered or were brought to hospital appointments; the older or isolated person who had their library books brought to the door.

I look forward to continuing to work with you next year on the many shared projects we are delivering to support a safe and healthy Wexford.

I would like to take this opportunity to wish you and your families a peaceful, restful and safe Christmas and a Happy New Year.

Kind regards

**Tom Enright,
Chief Executive.**
